1st choice _____ Friday–Sunday. Number of people _____

Price for Thursday _____

Price for Sunday _____

Total: _____

2nd choice _____ Friday–Sunday. Please put a second choice! This information is needed. All rooms are not equal and we do the best we can based on who attends and what their needs are.

Men: First, I assign the single cabins with one bathroom. Two sets of cabins have two separate bedrooms with a shared bathroom in-between but the parking is easier.

Once the resort is full we rent rooms at the hotel down the street. It's a two mile ride. You are still part of everything on the resort, including meals, it's just a little drive back and forth. (You might actually get more sleep there.)

Note: If you decide at the last minute to stay over Sunday, let us know by 1 pm on Sunday. Otherwise, you may have to spruce your own room and get clean towels from the front desk on your own. Also, in order to stay Thursday or Sunday, you have to have been a part of the SCONY weekend.

Is there any other information you'd like us to have?

I have read the limits and objectives of the party (see website for objectives), I understand there are no refunds for cancellations less than ten days before the event.
